RACE FORMAT:

Round 1 – Cross Country Format – all riders

Round 2 – Sprint Format – all riders

Cross Country is an off-road, natural terrain, continuous multi-lap event with each lap being above 10kms in length. The intended lap time is usually greater than 15 minutes approximately. The rider in each class completing the most laps in the least elapsed time will be declared the winner of the class. Seniors will race for a maximum of three hours, with juniors a maximum of two hours. It starts with riders lined up in a single row, one row at a time by seeding/class, and has a minimum of one minute between rows starting.

Sprint is an off-road, natural terrain event consisting of a number of heats of a short course (approx between 9-12 minutes). Each heat is set along the lines of an Enduro Special Test. The rider in each class with the least total elapsed time will be declared the winner of the class. They will race this track over the course of a day as many times as possible. Riders will race against the clock and start 15-30 seconds apart.

COURSES & TERRAIN:

There will be one track for Cross Country

There will be **three** tracks for Sprints:

The track will consist of a variety of terrain. Scrub, deep sand, some loamy flats, solid rocky out crops and loose rocky range country.

Start Order – riders will be seeded by the Clerk of Course (based on past championship results) for the first heat.

Start Order for the remaining heats will be determined by the results from previous heat/s.

The Clerk of Course reserves the right to seed riders into the start order for the purposes of safety before the event.

AEC ROUND 5 & 6 – FINAL INSTRUCTIONS

Start for Special Tests: The Start of the Special Test will be by light start or analogue clock.

The Clerk of Course reserves the right to alter the track and distance at any time for environmental and/or safety reasons, with the permission of the Steward.

Two arrows adjacent on the course are GATE course markers ie. riders **MUST ALWAYS** pass between these arrows. Any slashed area **IS** the course, riders must not leave the slashed areas. We will maintain the course as much as possible, but Riders **MUST** stay to the original intent of the course throughout the event, regardless of the condition of the bunting, any deviation from the intended course is a breach of these instructions. No deviation will be accepted. Any competitor found to have deviated from the intent of the course and gaining an advantage will be given a time penalty of a minimum 5 minutes up to exclusion for that heat, special test and or event.

POST RACE INTERVIEWS - SATURDAY & SUNDAY:

At the conclusion of racing on Saturday, riders from E1, E2, E3, EJ and EW- Women's classes who have placed in the top 3 must be immediately available at the end of their lap for post-race interviews. Riders must be presented in riding gear with their bike – sponsor/team hat are encouraged. Failure to attend may incur a fine of up to \$250.00 and possible suspension of racing license until such time the fine is paid. An official complaint will be registered with the relevant Team Manager/Major Sponsors in this instance.

PRESENTATION – SATURDAY & SUNDAY:

Separate Podium Presentation will be held for each Round of racing (Saturday & Sunday) for the event as soon as possible after racing. Riders must attend presentations to be entitled to any awards. Any riders who do not attend, to receive their award, will be fined. We ask that you dress in team/manufacturer or appropriate and presentable gear to accept your award.
